Dear Mr Copps:

I urge you NOT to relax the broadcast ownership rules that protect American citizens from media monopolies.

These proposed changes would pave the way for giant media conglomerates to gain near-total control of radio and television news and information in communities across our nation. Many of the corporations that are now lobbying the FCC to relax these ownership rules already have a known track record in attempting to keep opposing viewpoints off the air.

The American people deserve to hear more than one point of view on important issues. Therefore, for the sake of our democracy and our freedom, I urge you to continue the broadcast ownership protections that, for decades, have helped ensure a political debate in our country.

Sincerely,

Roger Boswell

DEAR MR.COPPS

I URGE YOU NOT TO RELAX THE BROADCAST OWNERSHIP RULES THAT PROTECT AMERICAN CITIZENS FROM MEDIA MONOPOLIES.

IF PROPOSED " BROADCAST OWNERSHIP RULES " ARE ADOPTED,INDEPENDANT VOICES IN CITIES ACROSS THE U.S. COULD BE SNUFFED OUT BY HUGE MEDIA CORPORATIONS.

THESE PROPOSED CHANGES WOULD PAVE THE WAY FOR GIANT MEDIA CONGLOMERATES TO GAIN NEAR-TOTAL CONTROL OF RADIO AND TELEVISION NEWS AND INFORMATION IN COMMUNITIES ACROSS AMERICA.AND MANY OF THE CORPORATIONS THAT ARE NOW LOBBYING THE FCC TO RELAX THESE OWNERSHIP RULES ALREADY HAVE A KNOWN TRACK RECORD IN ATTEMPTING TO KEEP OPPOSING VIEWPOINTS OFF THE AIR.

WHOLE COMMUNITIES AND EVEN WHOLE STATES AND REGIONS COULD BE DOMINATED BY ONE MEDIA COMPANY WHICH COULD DECIDE WHICH VIEWPOINTS TO ALLOW ON THE AIR AND WHICH TO CENSOR.

THE BIG MEDIA CONGLOMERATES HAVE IN THE PAST USED THEIR POWER TO KEEP OPPOSING VIEWPOINTS OFF THE AIR.THESE PROPOSED RULE CHANGES WOULD GIVE THEM A FAR GREATER POWER TO KEEP OPPOSING VIEWS OFF THE AIR AND OUT OF THE NEWSPAPERS.

MANY OF THE CORPORATIONS THAT ARE FIGHTING FOR THESE RULE CHANGES-INCLUDING MEDIA GIANTS VIACOM/CBS AND DISNEY/ABC-ARE THE SAME COMPANIES THAT HAVE TRIED TO KEEP OPPOSING VIEWPOINTS OFF THE AIR.

THE AMERICAN PEOPLE DESERVE TO HEAR MORE THAN ONE POINT OF VIEW ON IMPORTANT ISSUES.THEREFORE,FOR THE SAKE OF OUR DEMOCRACY AND OUR FREEDOM,I URGE YOU TO CONTINUE THE BROADCAST OWNERSHIP PROTECTIONS THAT,FOR DECADES HAVE HELPED TO ENSURE A HEALTHY POLITICAL DEBATE IN OUR COUNTRY.

Dear Chairman Powell:

I urge you NOT to relax the broadcast ownership rules that protect American citizens from media monopolies.

These proposed changes would pave the way for giant media conglomerates to gain near-total control of radio and television news and information in communities across our nation. Many of the corporations that are now lobbying the FCC to relax these ownership rules already have a known track record in attempting to keep opposing viewpoints off the air. Present day news organizations and the media have been at times advocates for a particular point of view rather than objectively reporting the news. Being advocates, present day news organizations and the media are de facto lobby groups, but they are exempt from McCain-Feingold Campaign Reform also known as the Bipartisan Campaign Reform Act.

If proposed "broadcast ownership rules" are adopted, independent voices in cities across the United States could be snuffed out by huge media corporations. Whole communities and even whole states and regions could be dominated by one media company which could decide which viewpoints to allow on the air and which to censor. The big media conglomerates have in the past used their power to keep opposing viewpoints off the air. These proposed rule changes would give them far greater power to keep opposing views off the air and out of the newspapers.

The American people deserve to hear more than one point of view on important issues. Therefore, for the sake of our democracy and our freedom, I urge you and the Federal Communications Commission to continue the broadcast ownership protections that, for decades have helped to ensure a healthy political debate in our country. I find it ironic that, at a time in history when America is sending troops around the world to fight for freedom, our freedom of free speech at home is under attack by possible law changes in our own government.

Dear Mr. Martin:

I urge you not to increase the percentage of TV stations that one company can own nor relax the restrictions on one company owning both TV stations and newspapers in a single city.

A successful democratic government requires an informed public. If one company or special interest group controls too much of the media, it can push its own political agenda, gain public support for its candidates and control what the public thinks. In addition, it can control the advertising within its area.

This gives one company or special interest group the power to control a city, state and, if large enough, to control the nation. Giving such power to one company or group is not in our best interests nor the best interests of our country.

Again, I urge you not to increase the power of media companies or special interest groups.

Thank you for your consideration.

Sincerely yours,

The Honorable Michael K. Powell, Chairman F. C. C.

Dear Mr. Powell

Good morning. The best to you today.

Is there really is a plan, process, consideration of or even thought of broadcast rules that would allow media monopolies? If so, please know I am much opposed to such.

The freedom of speech, the freedom to share differing opinions, the opportunity to hear more then one side of a given issue.. these are all necessary for a land to be truly free. I want to be able to hear many sides of an issue and I seriously doubt that any kind of media monopoly would long allow for that.

It is my trust that no media monopoly or monopolies will come into being in the U. S. A. In event such do come I trust that action would be quick to abolish them. Most likely there already exists some law that could be called upon to oppose their existence. I'm sure there is a freedom of information law somewhere that could be called to challenge their limiting of information. Let us trust there will be no need to bring suit in order to regain for the public the right to hear various positions, debates and concerns.

At any rate, please do all you can to avoid what could easily become information constipation and/or a concept choke hold and/or even a limitation that effectively becomes thought control.

Thank you in advance for your work in this regard.

A response from you would be much appreciated.

Dear Ms. Abernathy,

I am writing to urge you to NOT relax the rules concerning ownership of broadcast facilities.

Certain proposed changes currently being considered by the Commission would allow large media organizations to gain monopolistic control of radio and television news and information across the country.

I strongly believe the such control by relatively few organizations would severely endanger our democracy by limiting access of the American people to differing viewpoints on critical issues.

Accordingly, I again ask you to continue the existing broadcast ownership rules which encourage political debate.
